

# Case History

Performance you can trust

## Product

SAFE STEP® Mat

Size - 1520mm x 910mm, rubber base with mineral anti-slip surface

## Customer

McVities

(Manufacture a wide range of sweet and savory biscuits including major brands such as the McVities Hob Nob and Go Ahead)

## Location & Date

Glasgow, November 2008

## Application Details

Slip hazards at McVities has been an on-going issue for incoming staff and visitors to the site; the floor was subject to contamination from air-borne oils, fats and greases used in their manufacturing process.

## Specification

ROCOL® recommended the installation of SAFE STEP® Mats.

Features;

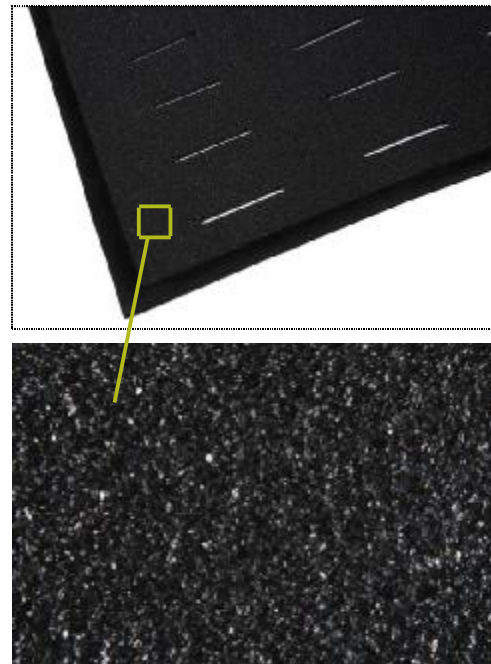

- Unique aggregated surface offering superior anti-slip properties in industrial environments
- Resistant to most common oils, greases, cutting fluids and cleaning products
- Drainage holes to reduce build-up of fluid contaminants
- High noise absorption level
- Insulates feet from cold and vibration
- Chamfered edge on all sides for increased safety

## Result

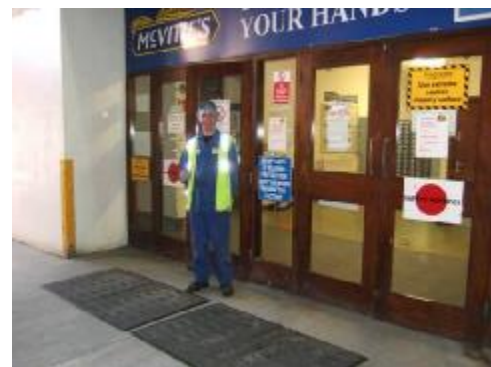

SAFE STEP® Mats provided an immediate anti-slip

solution that could be easily cleaned and fitted in well with McVities' Hygiene regime on-site.

Application Areas: Entrance Walkway to Canteen / Reception, mats situated at various point along this 80 linear meter Walkway.
