

REMOVER & DEGREASER

Heavy duty multi-purpose label remover and cleaner

Nonfood Compounds
C1, K3

Description

ROCOL® REMOVER & DEGREASER is a citrus solvent-based label remover and cleaner in a convenient aerosol format. It is an excellent cleaner for everyday grease, grime and dirt. The product is particularly suited for penetrating and removing difficult to remove residues, including labels and adhesives. Ideal for professional use, it quickly degreases tools and equipment in workshops and engineering environments.

REMOVER & DEGREASER is NSF C1 registered as suitable for use in inedible product processing, non-processing areas and/or exterior areas of food processing establishments. In addition, it is also ideal for use in many other industrial environments.

Features and Benefits

- Metal detectable plastic components (aerosol caps and actuators) capable of detection by most metal detection equipment.
- An effective, heavy duty, non-toxic cleaner for removing everyday grime, grease and dirt.
- Ideal for the removal of labels and adhesives and other difficult to remove residues.
- Pleasant citrus odour.
- Blue, mini-jet spray nozzle for accurate application and easy identification as a foodsafe product.

Usage Guidance

Refer to the Safety Data Sheet and perform a risk assessment before use. Shake aerosol well before use. Test compatibility with plastics and rubbers and painted or coated surfaces prior to application.

Apply from a distance of 15 - 30 cm. Allow time for the solvent to penetrate into heavier contamination, labels and adhesives (typically 15 - 30 seconds). The cleaning operation may be enhanced by working the solvent into the surface using a clean, dry cloth. Wash off cleaned surfaces before returning to the food processing area.

Storage Guidance

Extremely flammable aerosol. Pressurised container: May burst if heated Store below +50°C, out of direct sunlight. Shelf life is 2 years from date of manufacture.

Approvals and Certifications

- ROCOL REMOVER & DEGREASER does not contain animal derived materials, nut oils or genetically modified ingredients.
- NSF C1, K3 Registered - 140805

REMOVER & DEGREASER

Heavy duty multi-purpose label remover and cleaner

Parameter	Test Method	Value
Appearance	Visual	Colourless Liquid
Propellant	N/A	Carbon dioxide (CO ₂)
Solvent	N/A	Blend of orange terpenes and hydrocarbons
Odour	N/A	Characteristic citrus
Water Solubility	N/A	Insoluble
Metal Detection:		
Aerosol Cap	Equivalent sphere size	>3.0mm
Actuator	Equivalent sphere size	>3.0mm

Safety Datasheets
